Subject: Susan Smith Suggested I Reach Out to You

Dear Ms. Roberts,

Susan Smith suggested that I reach out to you. She told me that you are looking for a marketing solutions provider who can help your company make its brands more visible and profitable.

At our company, we help businesses achieve these goals through a comprehensive marketing solutions approach that includes branding, public relations, online marketing and lead generation. We have helped many companies succeed and would love to do the same for you.

Would you be interested in scheduling a call so that we can discuss how we could help your business? Thank you for your time. I look forward to hearing from you soon.

Warm Regards,
